“Bottoms Up” VÖ 30.3.2012

After a five-year wait, Obie Trice is back. Trice is gearing up to release the follow-up to his 2006 album *Second Rounds On Me*, and this time around he's not leaving anyone thirsty. The album, , will be released April 3, 2012 and will represent Trice's first release through his newly formed label, Black Market Entertainment.

Obie Trice III was born and raised in Detroit, MI. After years of rapping over instrumentals and attending rap battles, most notably the Hip Hop Shop, Trice was officially signed to Eminem's label, Shady Records, in 2001. During Trice's time signed to Shady, he was featured on a number of Eminem's releases including, "Without Me" and "Drips". He also rapped on the 8 Mile Soundtrack and had a cameo in the movie.

In 2003, Trice released his debut album *Cheers*. The album, which is certified gold, featured production by Eminem, Dr. Dre, Timbaland and Mike Elizondo as well as guest appearances by 50 Cent, Busta Rhymes and Nate. His second album, *Second Round's on Me*, was released two years later. This album centered on the hardships Obie Trice has overcome throughout his life

In 2008, Trice parted ways with Shady Records. He then launched his own independent music label, Black Market Entertainment, in Detroit, Michigan. In a statement to Rap Basement Trice said:

“The focus of Black Market Entertainment is to create quality employment opportunities in the entertainment industry for Metro-Detroiters as well as the Midwest. This will be an organization with profound community presence that will embrace and inspire the masses. The vision of Black Market Entertainment is to continually bring authentic Urban Hip Hop Culture to the forefront of the music industry.”

On August 23, 2011, Trice released his new single “Battle Cry” via his new label. “Battle Cry” will be featured on the new album, *Bottoms Up* and is currently available on iTunes and Amazon.
